NOTIFICATION

Considering the intensity of the anxiety of the students of Three-Year LL.B. (Honours) and Five-Year B.A. LL.B. (Honours) courses of 2015-16 academic session the University conveys the following message to the said students and other stakeholders.

1. The University sent a letter to Bar Council of India on 10.04.2017 seeking recognition of it for enabling the University to provide affiliation of the courses run by two private colleges, viz. Durgapur Institute of Legal Studies and Law College Durgapur.
2. On 24th July, 2018 the University submitted stipulated fees along with all requisite documents for getting the said recognition as per the instruction of Bar Council of India.
3. On 13.12.2018 the University sent a reminder to Bar Council of India for providing the University with the said recognition.

Even after taking all these initiatives Bar Council of India was not responding properly.

Under such circumstances the Honourable Vice Chancellor of the University met the officials of Bar Council of India in New Delhi on 06.02.2019 and requested them to fix a date of inspecting the University at Asansol for the purpose of providing recognition to the University.

The Honourable Vice Chancellor visited Bar Council of India at New Delhi again on 11.03.2019 and requested them again to expedite the process of inspection. The officials of Bar Council of India stated that due to huge work pressure they could not fix the date of inspection. However, they assured the Honourable Vice Chancellor verbally that they were trying their best to fix a date for inspecting the University shortly. They also assured the Honourable Vice Chancellor to convey the message to the students that their degree would be recognized by Bar Council of India once they complete their inspection of the University, which they would do very soon.
